Thoughts from the team:

Have the folks below tag team with Dr. Moore as a panel?

AGENDA

Have the folks below create their own panel?

Recommendations for CHW focused panel:

- We introduce the panel to save time.
- Have questions to send to panelist for them to prepare a response. –Make sure they have a time limit to make sure time is shared.
- Then leave time for Q&A
- Maybe have a ppt with the question only for visual purposes. This isn't necessary though.
