Welcome & Introductions:

No new attendees

Advocacy Committee

- New business-- none

Sustainability Committee

- New business
- Old Business
 - Business Case---crystal sent links and Alissa has been visiting the links to plug in info to get the writing side of the case organized. Looking for general job descriptions for statewide farmworker health program. Jackie Betance will try to help.

KDHE Updates:

- KDHE video—their team is working to organize the footage and music tracks to put it together. Juliet will need the CHW logo to add to this. It will be about a 5-min video.

Other updates:

From last meeting, we discussed inviting Chad Austin to a future meeting. Here are the ideas that were discussed.

Chad Austin- was a lobbyist before he became the CEO of KHA. He is a part of KDADS and Fireside chat type meeting?

Ask him: What is coming from the state, how can we support health services in the continuum of care?

Alissa mentioned Karen who could be invited.

There needs to be a firm line drawn when trying to inform the public on the difference between lobbying and education (advocacy) when it comes to CHWs and the potential ramifications when

doing either and risk to employment. Tell the story, educate w/o influencing. Meet people where they are at. Get on their level.

How can we get commissioners and other public leaders to this space to get the word about CHWs out? This is especially related to preventative general health and mental health issues.

Next Steps for next meeting

Decide when to invite Chad to the table.
