4. Please discuss the significant ways that you can use in your practice as a CHW. How will this help you increase your skill and CHW ability?
5. If this service learning opportunity did not provide information that you can use, what were you hoping that it would provide? Why did you choose this opportunity?

Is this Service Learning opportunity a case study/report? Check one.

- Yes \_\_\_\_\_ (CHW Employer Signature Required)
- No (No additional signature is required.)
