# Kansas Community Health Worker (CHW) Core Competency Education

## Learnworlds Online Learning Platform

Starting in June 2023, we've transitioned to an innovative online learning platform that will enhance the way CHW students travel on their journey to certification.

LearnWorlds will serve as a hub for all necessary student resources, ensuring easy access to Zoom sessions, assignments, and supplementary materials - eliminating the hassle of searching through emails or looking through Word Documents. Additionally, students and instructors will enhanced abilities to track progress, submit documents, and revisit previous class sessions for comprehensive review.

This approach to online learning empowers CHW students to take ownership of their education while fostering a dynamic and interactive learning experience.

### Getting Started

1) You will receive an email from the Kansas CHW Coalition LearnWorlds Platform with instructions and a link to create a password for your new account.

Add a pa	assword to your new account at	Kansas CHW Coaliti	ion		8

#### The Course Player

8) Use the Course Player to navigate through learning activities using either the Navigation Sidebar or with the < **previous** and **next** > buttons on the bottom bar.

9) Each class session has an Overview that contains the general information students need to know.

10) Class Session resources are also included for viewing and downloading by clicking the title of the learning activity in the left-hand Navigation Sidebar.

Learning activities that have been reviewed/completed so far will show a 🗸 on the right-side.
